## RETREAT SPEAKER: Sandy McRaney

Sandy McRaney is the wife of an amazing minister, mom of three extraordinary adult daughters and "Meg" to three "adorables" (grandchildren).

After accepting Jesus as her Savior at six years of age, Sandy has spent the last 47 years in pursuit of becoming more like Christ. Some days she makes progress toward that goal and other days she realizes how much she still needs grace when faced with difficult situations and challenges. Her straight-forward (and humorous) folksy style lends itself to putting her audience at ease while communicating solid Biblical truths. While majoring in political science, as well as having taught high school, Sandy is a self-taught decorator who immensely enjoys re-purposing found and thrifted items while rearranging her home (and others') over and over again.
