THINGS WE HAVE AN UNDERSTANDING ABOUT - AKA "THE RULES":

- **Cell phones are a privilege, not a necessity!** Because this is a weekend designed for discipleship and small group fellowship, cell phones will be allowed but only during free times & BIG Rec! Students should bring a Bible to use during Bible study and Worship. **This means no one can use their phone for their Bible!** IF there is a problem with a student regarding their cell phones, parents will need to let Pastor Ryan know.
- Everyone is expected to attend all events and meals and be on time. This means that everyone should be doing what everyone else is doing. In the event of illness, an adult leader may give permission for a student to be in a place other than with the whole group.
- LIGHTS OUT means that all students should be quiet and in bed with phones off.
- No P.D.A (public or private displays of affection).
- Students are not permitted in a cabin or on the porch that is not their own.
- Students should not mess with or go through other people's personal belongings.
- Student's name should be clearly visible on all luggage. We recommend a lock for their bag in case of a jokester.
- DRESS appropriately. If there are any questions concerning clothing, don't even bring it. (For example: no spaghetti straps, tight tank top shirts guys or girls, short skirts, inappropriate slogans, etc.) Students must be fully covered at all times, except in the shower.
- No tobacco, vapes, e-cigars, drugs, alcohol, weapons or fireworks. THIS IS NON- NEGOTIABLE and will result in your immediate dismissal from the event.
- All Prescription drugs must be in their original container and your student's name must be on the outside of the container/bottle. Please fill out the **red Medical Info. card** and return to Lisa Waller.
- Personal Transportation requests MUST be approved ahead of time by Pastor Ryan and an **orange Car Permission slip** signed by a parent/guardian and returned to Lisa Waller. No student is allowed to leave in a vehicle unless authorized by Pastor Ryan, even if they drove their own vehicle.
- If your student needs to leave for a period of time - for any reason, please fill out a **blue Time Out card** and return to Lisa Waller.
- Students are not permitted to keep food or drinks in their cabins. Student will turn in their snacks upon arrival to Camp and these snacks will be available during meal and snack times only. All snacks are stored in the kitchen.
- Students are expected to honor the camp by cleaning up trash.
- Anyone who cannot abide by the guidelines for this event **may be sent home.** This includes not only blatant offenses, but also activity that consistently distracts from what we are asking God to do in other's lives as well.
