Gary Buck - "From the Grand Ole Opry to The Grand Old Gospel"

Gary's website theme (above) in very few words tells the story of his transition from world-class singer who was recognized as one of Nashville's finest vocalists to his current life-work as a singing evangelist.

"For ten years Gary was a member of the Grand Ole Opry®. Gary has seen it all: Hit records, CMA and Music City Fan Awards, a solo country music career, many radio and television appearances, as well as Billboard Magazine Chart successes.

He has performed as a soloist, background vocalist, on stage, and in the studio with a who's-who of the music industry.

Bob Hope, Charley Pride, Dolly Parton, Roy Orbison and Jimmy Dean just to name a few.

(In his transition to gospel music,) he performed first nationally as tenor with **Gospel Music Hall of Fame group JD Sumner & The Stamps Quartet**, then with **Opry members The Four Guys.**"
