

Wednesday Night Bible Study & Prayer Time

James 2:5-13

December 7, 2022

Please Be Praying for...

- ◆ Tom Holley - in the death of Jan this weekend - if you would like to send him a card his address is 11 Brodie Lane, Tupelo, MS 38801.
- ◆ Julia Gines - 1 week old granddaughter of Dabney & Diana Martin - her urine has red blood cells in it so their pediatrician sent them to the emergency room to be evaluated.
- ◆ Malachi - Lisa Rowley's (former FBS staff) grandson - was just diagnosed with staff scalded skin syndrome. It is an after effect from having strep throat. They are going to watch him closely but he may be admitted to the hospital if it gets worse. They are treating him like a burn victim. It has caused a horrible rash that has been getting worse every day. He is under two years old.
- ◆ Frances Mills - is back hospital in Sanford. They would like for her to get well enough to be able to travel to Montana where her daughter can take care of her.
- ◆ Bert Carrier - saw the doctor this afternoon and they have determined that there will be no surgery until after the first of the year because of the stroke. He has severe stenosis but not emergent. He was hoping to be discharged from the hospital today but his oxygen levels are not where they need to be.
- ◆ David Medley - had a stroke last week. Is home and doing much better but will need some speech therapy.
- ◆ Cherilee Williams - former members here at Sweetwater who moved to CT - George died right before Thanksgiving. Please keep Cherilee, Garrett & Forrest in your prayers.
- ◆ Universal employees involved in the warehouse fire last week - these are all friends and co-workers of Shane & Kelly - please pray for the families of Elizabeth Tiralongo, David Gonzalez, Lindsey Phillips & Landon Bourland who died in the fire and for the family of Lindsey Tallafuss who is still fighting for her life.
- ◆ Lisa Napolitano - continue to pray for complete healing from cancer.
- ◆ Rogers Chase - has been moved to the Village On The Green Rehab Center.
- ◆ Jim Marshall - niece is on the heart transplant list
- ◆ Stacey Beoshko - Best friend, Melissa, found out she has cancer again. She has beat it before but this time it is a different kind. Please ask God to heal her again.
- ◆ Roger & Tobie Stitt - grandson, Jacob David Stitt - having a hard time with some health issues
- ◆ Those with unspoken prayer needs

Praise...

- ◆ Julia Holland - everything is on target for her to get into her new home & she was able to get the move scheduled for the first week in January.
